STORY, WITH EVERY GIFT

THE IDEA

Some gifts are opened. Some are remembered.

A gift should have a life after it is opened. NH8 Mithas pairs our finest mithai and dry fruits with a hand-picked artisan object from Rajasthan — something to use, display and remember, long after the sweets are gone.

PREMIUM SWEETS + RAJASTHANI CRAFT + REUSABLE PACKAGING + STORY & PROVENANCE

THE BRAND PROMISE

The sweets are meant to be enjoyed.

The craft is meant to stay.

WHY IT'S DIFFERENT

You won't find diaries, mugs, bottles or keychains here.

Every keepsake is chosen for one reason: it belongs in your home. Cultural relevance, everyday usefulness and quiet beauty come before anything with a logo on it.

HANDPICKED, NOT GENERIC

Every object is a genuine Rajasthanani craft form — never a mass-produced add-on.

MADE TO BE USED

A bowl you'll actually eat from. A lamp you'll actually light. Nothing purely decorative.

A STORY THAT TRAVELS WITH IT

Every keepsake arrives with its own Craft Passport — the craft, the region, the maker.

THE JOURNEY

A journey through Rajasthan, one gift at a time.

Six keepsake hampers, each built around a distinct Rajasthani craft tradition — its own colours, its own materials, its own story. Turn the page to explore each one.
