WHY MITHAS

A gift that is **tasted** — and a keepsake that **stays**.

Most corporate gifts are forgotten by the next week. Every Mithas hamper pairs handcrafted sweets with an authentic Rajasthani artisan piece and the story behind it, so your gift starts a conversation and keeps your name on the desk all year.

“The sweets are meant to be enjoyed. The craft is meant to stay.”

THE MITHAS PROMISE

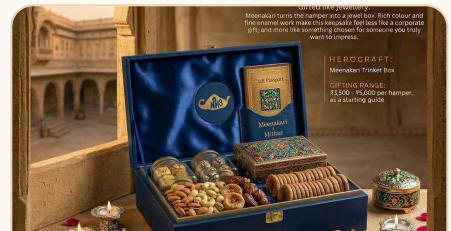

Handcrafted sweets

Kaju, dry-fruit and classic mithai, chocolates and namkeen — packed fresh for every order.

A Rajasthani keepsake

Blue Pottery, Meenakari, Kundan, Pokaran clay, Kansa bronze — made by artisan families.

The Craft Passport

Every keepsake hamper carries a card telling the craft, the region and the object's story.
