THE CRAFT BEHIND THE JOURNEY

The sweets are meant to be enjoyed. The craft is meant to stay.

Rajasthan's artisan traditions are the heart of the collection. Pair any Premium hamper with a keepsake made by hand - each one arrives with a Craft Passport.

THE JAIPUR

Blue Pottery of Jaipur

Born from a distinctive quartz-based pottery tradition, Jaipur Blue Pottery has become one of Rajasthan's most recognisable crafts. Enjoy the sweets. Keep the craft.

THE DESERT

Pokaran Pottery

From the earth of Pokaran comes a craft shaped by generations of hands. Its quiet colours and natural textures carry the spirit of the desert.

THE JEWEL | THE ROYAL

Meenakari

Rajasthan has long understood that celebration deserves colour, detail and craftsmanship. The mithai is for today. The craft is for tomorrow.

THE GLOW

Handcrafted Brass Lamps

Every celebration deserves a little light. May this one stay long after the mithai is gone.

THE LEGACY

Thewa Art

Some crafts are made in minutes. Some are passed from one generation to another. This piece belongs to the latter.
