Samudra Manthan

A Churning of Flavours & Traditions

Diwali is a celebration of light, love and togetherness, woven into the timeless traditions of Bhartiya mithai. At NH8 Mithas, we honour this heritage with sweets and savouries that bring together purity, authenticity and the emotions that make every celebration special.

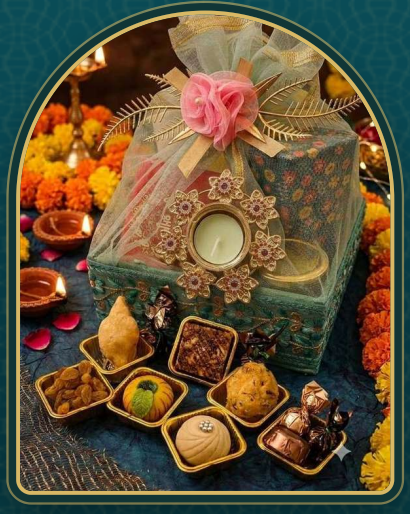

Inspired by Samudra Manthan, this year's festive collection is a delightful churning of tradition and creativity, where cherished Indian flavours meet contemporary tastes to create an exquisite symphony of textures, aromas and indulgence.

Crafted for sharing, celebrating and gifting, every creation carries the warmth of tradition with a touch of the unexpected.

Our catalogue showcases just a selection of the festive delights we have curated for you. For more sweets, savouries, hampers and personalised gifting options, call or WhatsApp us at **8123023025** . We would be delighted to customise a hamper that makes your Diwali truly special.
